Friendly Reminder

.....I believe that nobody is perfect. When we collaborate, the final project may not always turn out exactly as we expected, but we'll still complete it and share it with the audience. We'll learn from the process, keep improving, and continue spreading positivity to the community.....

Question 1. What kind of collaboration would you like to make with me?

(e.g. Remix, Mashup....)

Question 2. What is your strength as an artist? (For me; Writing Melody is my strength).

Question 3. Which DAW do you use? (For me; I use Ableton).

Question 4. Which Plugin are you using currently?

I have to ask because I met some artists who do not use any DAW plugins but they use the actual synthesizer to make sounds. (For me; I mainly use Serum 1, KORG Triton, Spire 1.5, Kontakt 7)

Question 5. Which part of the song you want to take it and how will you handle Solos? (If you play real instruments, please kindly let me know too).

Question 6. Which social media platforms are you planning to upload? (e.g. YouTube, SoundCloud...)
